Buea, Cameroon

Objective

- Software engineer seeking challenging role. Expertise in full-stack development, problem-solving, and collaboration. Passionate about high-quality code and enhancing user experiences.

Skills

- Web Development (HTML, CSS, JavaScript, SASS, REACT, Node JS, Express)
- Mobile Development (React Native)
- No SQL Databases (Mongo DB, Firebase)

- UI/UX (Figma)
- SQL Databases (SQL Server, MySQL, Oracle)
- Excel
- Microsoft Power BI, Tableau

Projects

- Data Warehouse for Chat Application: developed ETL processes with HTML, CSS, JavaScript and Node, and integrated Chart.js for data visualization of the data warehouse.
- Developed a niche apple product website from conception to implementation, leveraging React, SASS, Express and Mongo DB.
- Developed a mobile based disaster management system which entails real time notifications and alerting system, chatrooms and forums, and mapping with geospatial data.
- Data cleaning and visualization of covid-19 data.
- Developed a civil engineering cost estimate using react-native.
- Led the development of a multipage website for a prep group, using modern front-end technologies, including React and SASS.
- Developed a CSS Library using SASS to improve code organization, and enhance maintainability.

Qualifications

- Career related skills: effective communicator, hard worker, quick and willing learner.
- Frontend developer at STARUTH technologies.
- Math/Physics tutor, engineering coordinator ASEND Corporation.

Education

Bachelor of Engineering in Software Engineering (Expected Graduation: 2025)
University Of Buea, Cameroon

- Relevant Coursework: artificial intelligence and machine learning, object-oriented programming, data structures and algorithms, web development and design, mobile application development, advanced operating system, data warehouse and data mining, security of information systems and cyber security, software engineering and design, human computer interface, advanced databases and administration.
- Academic Achievements: Consistently achieved a position on the honor roll throughout high school, recognizing academic excellence and dedication to.

Hobbies and Interests

- Football: Football enthusiast and player. Participated in local leagues and enjoy staying active through the sport. Demonstrates teamwork, discipline, and dedication.
- Reading: Enthusiastic reader with a focus on psychology and personal development literature. Devotes time to exploring various books on topics such as human behavior, self-improvement, and mental well-being. Passionate about applying insights gained from these books to personal growth and fostering a deeper understanding of the human mind.
